No 566/2024

A RESOLUTION
OF THE KDPW MANAGEMENT BOARD
OF 13 JUNE 2024

ON THE DETERMINING THE AMOUNT OF FEES FOR PROVIDING REFERENCE AND STATISTICAL DATA
BY KDPW

Acting in accordance with § 23 subpara. 2 of the KDPW Articles of Association, in connection with § 8 subpara. 2 of the Rules for Paid Access to KDPW Group Reference Data and Statistics by KDPW, forming an Appendix to Resolution No. 246/2021 of the KDPW Management Board of February 12, 2021 as amended, the KDPW Management Board has resolved the following:

§ 1

The fees for providing reference and statistical data by KDPW, referred to in the Rules for Paid Access to KDPW Group Reference Data and Statistics by KDPW, shall be set as follows:

Type of payment	Fee amount	Rebate for purchasing multiple data packages	Rules for calculating fees
I. Monthly subscription:			
1. Fee for the purchase of a data package:	450 PLN - for each data package purchased	Where 2 packages are purchased – 10% discount for each package	The sum of fees is charged for: - purchase of packages (point 1) - maximum number of users (point 2) - where API access has been acquired - API access acquisition (point 3)
		Where 3 packages are purchased - 20% discount for each package	
		Where 4 or more packages are purchased - 30% discount for each package	
2. Fee for the maximum number of users, including administrators, who will be able to use the data:			
2.1. Up to a maximum of 3 users	110 PLN		
2.2. Up to a maximum of 10 users	330 PLN		
2.3. Up to a maximum of 50 users	660 PLN		
3. Fee for purchase of API access	2 250 PLN		Where more than one API access has been

			purchased within a given subscription package, the fee is calculated as the sum of fees for each API access purchased.
4. Subscription modification fees:			
4.1. Subscription modification fee - increasing the number of subscription packages	450 PLN for each data package purchased	Where the total number of packages held after increasing the number of subscribed packages is 2 - 10% discount for the purchase of each new package	The fee is charged proportionally to the number of days remaining until the end of the billing period within a given subscription; however, the number of days remaining until the end of the billing period is counted from the day following the date of the modification of the subscription.
		Where the total number of packages held after increasing the number of subscribed packages is 3 – 20% discount for the purchase of each new package	
		Where the total number of packages held after increasing the number of subscribed packages is 4 - 30% discount for the purchase of each new package	
4.2. Subscription modification fee - purchase of API access	2 250 PLN		The fee is charged proportionally to the number of days remaining until the end of the billing period within a given subscription; however, the number of days remaining until the end of the billing period is counted from the day following the date of the modification of the subscription. Where more than one API access has been purchased within a given subscription

			package, the fee is calculated separately for each API access purchased.
II. Annual subscription:			
1.1. Fee for the purchase of a data package, as part of a licence for personal use	2 700 PLN - for each data package purchased	Where 2 packages are purchased – 10% discount for each package	The sum of fees is charged for: - purchase of packages (point 1) - maximum number of users (point 2) - where API access has been acquired - API access acquisition (point 3)
		Where 3 packages are purchased - 20% discount for each package	
1.2. Fee for the purchase of a data package, as part of a user licence allowing for distribution within the capital group	8 100 PLN - for each data package purchased	Where 4 or more packages are purchased - 30% discount for each package	
1.3. Fee for the purchase of a data package, as part of a general user licence allowing for unrestricted distribution	24 300 PLN - for each data package purchased		
2. Fee for the maximum number of users, including administrators, who will be able to use the data:			
2.1. Up to a maximum of 3 users	660 PLN		
2.2. Up to a maximum of 10 users	2 000 PLN		
2.3. Up to a maximum of 50 users	4 000 PLN		
3.1. Fee for purchase of API access as part of a licence for personal use	13 500 PLN		Where more than one API access has been purchased within a given subscription package, the fee is calculated as the sum of fees for each API access purchased.
